

WELCOME TO UID WITH MS.G!!!!

UID STANDS FOR USER INTERFACE DESIGN.  
FOR THOSE OF YOU WHO DON'T ALREADY  
KNOW.....MS.G IS FOR MS. GUNN.

I am so excited to be your teacher this semester. I am so happy to be back teaching my two favorite classes again this year = Web Design and User Interface Design! I have been working on getting our new house built all summer and was also in a UGLY blue, full-arm cast for 4 weeks from elbow surgery this summer! FUN TIMES - not so much ☺

I have been married to my wonderful hubby, Nate, for 9 years, and we have two awesome kids. Isabella is now 3<sup>rd</sup> grade. My baby, Trace just started Kindergarten.

We have 1 dog, Stoli, who is a Siberian Husky and we have 3 cats (one grown gray Siamese named Grady, and two orange kittens name Milo and Dash). The kittens have been quite the handful!

That's enough about me. Here's some info about UID. We have 6 awesome units for Term 1 that will teach you about creating storyboards and wireframes and expand upon creating web pages, etc. For Term 2, we have 6 more fantabulous units!

We will have class each week on Mondays at 3:40pm: User Interface Design.

The class/live lesson link is also on our Announcements Page. Please check out the Announcements Page so you can put a picture with the voice, and for any changes, weekly announcements, recorded session links, etc. I would love to hear about you. You can send me a little e-mail if you want to share any fun facts with me.

We share class with Web Design, so I do Web from 3:00 - 3:40pm or so. Our first class will be NEXT MONDAY, August 31, 2015 at 3:40pm!!!

I am so glad that most of you I will be seeing a second time! I've missed you guys ☺

Talk to you soon,

Kalin Gunn, Ed.S.
